

**Dear Altar Server,**

**Please download and save this schedule. You will need it until the end of September. I did try to accommodate all your requests. You will notice that fewer kids have been assigned for weekday Masses.**

**As always DO help each other out and substitute if other servers should call you. If you are in attendance at a Mass where there is less than 2 servers, please GET UP and serve.**

**\*\*\*CYCLONE GAME: Every parent who volunteered to chaperone will be attending. Check the Church bulletin boards in the next week or so for further updates about ticket and food bracelet distribution. Once again the game is scheduled for Saturday, June 19th. The barbecue begins at 4:30pm**

**Have a wonderful and safe summer!**

**Sincerely,**

**Mr. and Mrs. Courtien**
